MOWING AND LAWN CARE

Be aware of low hanging tree limbs and overgrown landscape on your property. Trim accordingly so mowers can pass safely. Please keep our lawn maintenance workers in mind as they work hard to help keep our community beautiful. Also consider a barrier (landscape and/or mulch) around the perimeter of your building to help avoid siding damage from trimmers / weed eaters. Contact Larry Madeker with any questions or concerns.

Also...thank you John Grove and Chris Baldasare for repainting the signs at our front entrance. You help make Tower Lakes an inviting place to live!
