

TOWER LAKES TIMES APRIL NEWSLETTER

Spring is finally here and attitudes reflect the warmer temperatures. The Post Office asked that we remind residents to not park in front of your mailbox or your neighbor's mailbox. If you block access the mail truck will just drive on by instead of delivering the mail to you that day.

SOCIAL COMMITTEE UPDATE

23 of our residents gathered for breakfast on March 26th at Der Dutchman. Everybody enjoyed the morning and the group decided to do it quarterly. Therefore, put the 4th Saturday in June on your calendar. All are welcome, contact Joyce Curry to reserve a spot.

BOOK CLUB

The Tower Lakes Book Club meets the 2nd Thursday of each month at 1594 Nantucket Dr. Each month a topic or genre is picked. Each member chooses a book to read in that category and shares at the next meeting. After sharing, many people choose to read the shared book. In May we are all reading the same book, "The Last of the Dalton Gang," by Larry Schuck. If you have any questions feel free to call Ruth at 740 398-4874.

Policy Update

A new policy is adopted for the outside storage items. Residents can use their patio and deck area. Storage of patio furniture, grills, lawn furniture may be stored under neutral colored tarps. Smaller neutral deck boxes can also be used for storage.
