MOWING AND LAWN CARE

Our lawns are looking green and dandelion free! Weekly mowing has commenced. Please be aware of mowers and trucks when traveling throughout the neighborhood. Contact Larry Madeker with any questions or concerns.

JUST A REMINDER...

All pets are to be on leash while walking through the neighborhood. Please keep your pet in the tree lawn, on the street, or in common areas by the farmhouse or lake and pick up after them. Also, please pull pet chains or leads onto your patio or deck after each use. We do not want to cause injury to anyone operating a mower or cause damage to their equipment.

Thank you to all those pet owners who are being considerate in leashing and picking up after your pet. It helps to keep your pet safe and our neighborhood well cared for.

ANOTHER REMINDER...

The farmhouse is available to rent for individual family and social events. Guidelines are posted on the Tower Lakes website. Harland Groves can also provide additional information.
